EXECUTIVE ORDER NO. 2020- 04

DEFINING ITS POWER AND FUNCTIONS IN THE MUNICIPALITY OF GABALDON,
NUEVA ECIJA

Whereas, pursuant to basic principles embodied in Republic Act. No. 7581, otherwise known as the Price Act and Republic Act No.71 otherwise known as the Price Tag Law, all Local Chief Executives are strongly encouraged to activate their Local Price Coordinating Councils (LPCCs) or to organize the said councils where there are none, for consumer protection purposes, and for a more purposive and sustained monitoring of selected prime commodities due to volatile movement of the price of crude oil in the world market resulting to the increase of farm inputs and other needs for food production;

Whereas, it is likewise the interest of the state to provide protection to consumers against hoarding, profiteering and cartels of goods especially during occurrence of calamity, emergency and widespread illegal manipulation and similar situations as well as it is the policy of the state to ensure the availability of basic commodities and other commodities at reasonable prices at all time without denying legitimate business a fair return of investment;
